

# Lyman Names Campaign Aide in Redondo Beach

Redondo Beach City Councilman David K. Hayward today was named area campaign chairman for David K. Lyman now seeking the Democratic nomination for State Senator from the 32nd District.

## Youth Named to Student Office

Michael M. Sullivan, son of Mr. and Mrs. Arlo M. Sullivan of 22910-A Nadine Circle has been elected first vice president of the Associated Students of the University of Portland.

A longtime resident of the area, Hayward heads his own insurance firm in Redondo Beach. He has served on several city commissions and is a past president of the Interstate Highway Commission.

Hayward was voted "Baseball Man of the Year" in 1959 and was selected in 1960 by the Redondo Beach Junior Chamber of Commerce as the "Young Man of the Year."

He is a member of the District Attorney's Advisory Council and of the American Legion Post 184. A former officer of the Navy League's Palos Verdes Council, Hayward and his wife, Margaret, reside at 1523 Wollacott St., Redondo Beach. They have two children.

"I am confident of a Lyman victory in the 32nd District," Hayward said, "because of his previous campaign experience and proven qualities of leadership."

# Parent Effectiveness Training Class Slated

Communication in the family and in personal and business relationships is the subject of a free lecture and demonstration workshop scheduled today from 7:30 to 10:30 p.m. at the Unitarian Church, 5450 Atherton St., Long Beach.

Mrs. Dorothy Briggs, a new resident of the Southwest area, is speaker for the event sponsored by Parent Effectiveness Training.

"How Parents Unknowingly Block Communication in Children" is the title of the lecture to which Mrs. Briggs invites educators, counselors, all professionals working with children, the general public, and parents.

"Although the approaches used in Parent Effectiveness Training are applicable to parent-child relationships," the lecturer points out, "the same principles apply equally to all interpersonal relationships, whether they be in business, the professions or the home."

AN EIGHT WEEKS' course in Parent Effectiveness Training will be conducted by Mrs. Briggs starting March 30, 7:30 to 10:30 p.m. at the home of Mrs. Glen Quinn, 6324 Vermont St., Long Beach. Information regarding the classes and free lecture may be obtained by phoning GE 1-1087.

Parent Effectiveness Training is a pioneering educational program founded by Dr. Thomas A. Gordon, Pasadena clinical psychologist and president of the California State Psychological Association.

Mrs. Briggs became a resident of the Palos Verdes Peninsula this month. Her husband, James Briggs, has been legal advisor for the Los Angeles City Schools for 12 years. They have two children, Laurie, 9, and Kerrie, 7, who attend the Mira Catalina School.
